Music

Stephen C. Foster

American songwriter Stephen C. Foster wrote hundreds of tunes which have become part of what the Songwriters Hall Of Fame calls the "... foundation stones of the American songbook." Several of his songs have found homes in Old Time and Bluegrass jam circles. We take a look at "Angelina Baker" and "Hard Times Come Again No More."

Music

"Festival Season"

"Festival Season" is a great collection of Old Time tunes by a loose knit group of musicians collectively known as "Dolly and the Devil." Our own Dale Stanberry played on the album. It needs to be in your collection!
